ALL the meat we sell is free - range and has been reared to the highest welfare standards on our farm.

#### BEEF

We have a traditional herd of single suckled Ruby Red Devon cattle. The beef produced is hung for a minimum of 21 days

#### LAMB

Our flock of North Country Mules are grass fed. They produce lambs outside in the April sunshine.

#### PORK

Our sows are a Landrace cross Duroc, bred specially for out door free-range production.

#### POULTRY

Our poultry is reared on the farm from day old chicks, we choose slow growing breeds.

We pluck and process the birds on the farm. At Christmas we hang the turkeys and geese for 10 days this allows the meat to mature ensuring it is moist and full of flavour.

#### STORAGE

Remove giblets from inside the bird. Refrigerate meat below 4 degrees celsius
